## TECHNICAL (IT) SKILLS

## EDUCATION

**University of Arkansas Little Rock, Bachelors in Web Development with Digital Design Minor**

*Present - Expected Graduation May 2023*

I enjoy learning new concepts and the challenge of applying them to solve problems. I have a passion for UI/UX (user interface/user experience) & am interested in working with a team to develop interactive websites.

### Courses Include:

CPSC 4379	Principles of UI/UX
IFSC 3342	Mobile Web Development
ITEC 4610	Project Development & Portfolio Defense
ARST 3340	Graphic Design
ARST 3385	Vector Graphics

## WORK EXPERIENCE

I have over 10 years of customer service experience that has refined my communication skills, thus making me a valuable member of a development team. Here are my latest two positions in customer service.

### CareLink, Human Resources

*December 2015 – December 2019*

Ensured company & employee compliance of Federal & State regulations and managed employee benefits (Medical, Dental, Vision, Workers Compensation, & Family Medical Leave of Absence).

### CareLink, Receptionist

*November 2013 – December 2015*

Answered general inquiries. Welcomed, greeted, and directed visitors & callers.
